

# BONNE ECOLE ELEMENTARY

Bonne Ecole Elementary is excited to introduce an extracurricular opportunity for students in sixth grade during 2017-2018 school year: The National Junior Beta Club.

Invitations to apply for membership in the Beta Club will be issued in September of 2017 to sixth graders who meet the following criteria:

- cumulative grade point average of 3.5 or higher based on the grades from their fifth grade year
- no office discipline referrals in the second semester of their fifth grade year to the time that invitations are issued

Once an invitation is issued, students will complete an application packet that focuses on their academic achievement, character, and attitude. Once students are selected to the club, an Induction Ceremony will be held.

The Junior Beta Club will have the opportunity to complete monthly service projects in the school and community, plan the sixth grade dances, have a role in the Sixth Grade Promotion Ceremony, and participate in many other activities based upon the group's interests and involvement level.

Please discuss this opportunity with your student and the honor that it represents, and encourage them to keep working their hardest in order to have this opportunity made available to them. Should you have any questions, please contact the school office. Thank you!
