Bloodmobile

Dear Parents,

As mothers and fathers, we teach our children by example. You have a special opportunity to teach your children about the importance of assuming community responsibility through donating blood. Because blood cannot be manufactured, it is OUR responsibility to make sure that it is available for those who need it. Each donation can save up to three patients. Your children will learn how to help make a difference by recruiting friends & family to donate blood. All students who bring in at least 1 blood donor will receive a t-shirt. Any student who brings in 2 or more blood donors will be able to participate in a celebratory popsicle party.

### Teacher Tips

1. Please let your students watch a patient recipient story by going to Americas Blood Centers- then click on press room- then click on videos. There are several stories you can choose from.
2. Please make sure that the students know the slips are due back by Wednesday, April 18th.
3. Students who bring in at least 1 blood donor will get a t-shirt.
4. Any student who brings in 2 or more blood donors will get to participate in a celebratory popsicle party.
5. blood drive.
6. Let the students know for each donor they get to donate – the student has helped save 3 lives because they are the reason the donor is at the blood drive.
7. Thank you for your support and don't forget about the school blood drive on Monday, April 23rd from 2:00 P.M. until 6:00 P.M. on the bloodmobile. Your blood donation would be greatly appreciated.
