

## *Teach Kids About Life Outside the Classroom!!*

**Inspire and Prepare Young People  
to Succeed in a Global Economy**

**Junior Achievement is coming to Bonne Ecole!  
Grades PK-3 November 2, 2017 and Grades 4-6 February 1, 2018**

**Spend one day in the classroom!**

**Junior Achievement will provide all of the supplies and train you on how to present the materials to the students. The day is broken up into five to seven lessons that empower the students to own their economic success. The lessons are fun and interactive and the time you spend with the students will make an impact of a lifetime. Team-teach with a friend or your spouse. It's fun!**
