

BEE Newspaper Application

DUE: Wednesday, September 13, 2017 to Mrs. Milford or Mrs. Senez

Bonne Ecole Elementary's Newspaper Club is back! The newspaper club will be in charge of writing the school newspaper. We will meet every other week, on a Tuesday (dates will be finalized for meetings at a later date). All students applying for the newspaper club need to be independently driven, interested in interviewing the student body and teachers, knowledgeable with internet and Word applications, and willing to work a few days on articles before school and during recess time to meet deadlines.

Each applicant must complete ONE of the following as a sample of work:

- Submit a sample of your work. Write a sample newspaper article about a real BEE event or a made-up one. Be sure to include a headline, byline (telling who is writing the article), and a catchy first sentence. Make your article free of major spelling and grammatical errors. This must be typed and should be stapled to this application form. Look at real newspaper articles for inspiration.
- Write an example review of a book, video game, or a movie. Tell your opinions about it—why you liked it or didn't like it. Make your review opinionated and interesting!
