

Would You Like to be Part of the SHINE Club??

What is the SHINE Club?? It is a club for 3rd-6th Graders with the purpose of **Serving, Honoring, Inspiring, Nurturing, and Encouraging others.** We started meeting in February 2013 at Bonne Ecole thanks to a grant from the PTA.

What will we do? We will be finding ways to **serve** others at the school and in the community. We will learn how to **honor** others with our words and actions. We will be finding ways to **inspire & nurture** younger students. We will also be seeking ways to **encourage** classmates, faculty and staff at BEE, our families, and community members.

Since we have been meeting, we have been collecting flip-flops for Dr. Lindsey to take to Belize each Spring Break. We look forward to continuing this during this school year.

When will we meet? We meet every other Wednesday from 3:30-4:30. Our first meeting will be after Labor Day. Notes will be sent home with all students in grades 3rd-6th.

Where will we meet? We will meet in the library and then move to the foyer outside the library.

The purpose of our first meeting will be to review the purpose of the club and to brainstorm some areas where we can **SHINE** at Bonne Ecole and in the community. We will look back at what we did last year and think through new ideas for this year. We will also be talking about SHINE Buddies. **This year there will be a contract that students will need to sign if they want to be a part of SHINE buddies. They will also attend a training on how to be a SHINE Buddy. More information on being a SHINE buddy will be provided at the first meeting.**
