

Library Club

Welcome to Library Club! We are excited about the fun and educational activities we have planned for the year. Club members will meet on the second Tuesday of each month to explore a variety of books and digital resources. Each meeting will also include a craft or other hands-on activity. Meetings will take place after the dismissal bell and students should be picked up promptly at 4:15pm in the carline. Please note that only one late pick-up will be excused. After that, students will not be permitted to attend Library Club meetings.

Calendar

October 9	Non-Fiction	❖ Animals
November 13	How-To Books	❖ Hobbies & Crafts
