We are taking safety measures to ensure a safe opening to school. There is a list of frequently asked questions on the website for you to refer to. Each day students will need to be dropped off in carline, ride the bus, or walk to school. Due to the safety measures this year, parents will not be allowed on campus until further notice.

This school year will look a bit different, but the learning and growing will remain the same. We will continue our tradition of excellence at Bonne Ecole.

Sincerely,
Julie Lupo
